Academic Guidelines

Academics

Florence High School operates under the motto: "Striving for Excellence in Academics and Building Foundations for the Future through Respect and Responsibility." Rigor in the academics and the instructional process are the core for building this foundation. It is the primary responsibility of the administration and staff at Florence High School to challenge students from an academic standpoint, and it is the primary responsibility of students to accept this challenge to prepare themselves for their own future.

Class Rank

Academic GPA will determine class rank. Only full-time students are eligible for class ranking. Aides, work study, or classes from an alternative educational program that are not part of Florence High School or from modified schedules do not qualify for class ranking; however, post-secondary option classes do compute towards GPA

Credit Requirements

Classification of students:

Sophomore	7 credits
Junior	14 credits
Senior	21 credits

All academic classes carry one credit for each class enrolled in and passed with the exception of aide positions, Senior Economics, and American Government. All students must register for seven credits for the school year; except seniors who must take at least six credits. **It is highly recommended that seniors take full and challenging loads to better prepare themselves for the next level.**

General Information

This handbook is not meant to be all inclusive with regards to disciplinary actions or policy variations. It should be noted that because a specific offense and/or incident has not been addressed in this book, school officials still have the right and duty to take necessary action to resolve the problem.

Computer Network and Internet

Students are responsible for good behavior on school computer networks just as they are in any other aspect of school life. Inappropriate use of the internet will result loss of internet privileges. The network is provided as a privilege for students to conduct research, complete classroom tasks, and communicate with others. Students are responsible for their behavior and their communications over the network.

Network storage areas may be treated like school property. The school reserves the right to review files and communications without prior notice to maintain system integrity and ensure students are utilizing the network appropriately. Failure to comply with district and school rules may result in a loss of networked computer access, disciplinary action by the school administration, and referral to law enforcement agencies.

Media Release Information

Parents must sign and indicate whether they give permission or not for their student's name to be posted with photos in any print media or internet sites. This form is part of the registration packet.

Late Start/Early Dismissal Due to Inclement Weather

Establish a plan for your students in case of a late start or early dismissal. If there are siblings, designate a meeting place and prearrange transportation. If your student rides the bus or drives, keep in mind that they may be late due to road conditions. In case of an early dismissal, a district office administrator will call the local radio stations to notify them. Please tune in to local stations to hear updates on school late starts/early dismissals or closures. The reverse call system will notify households of late starts or early dismissals – please make sure your information is updated correctly.

Final Exams

Students will be expected to take final exams in their classes at the end of each semester. Exams missed due to an excused absence will be made up within two days after the end of the semester.

Any student wanting to take final exams before the designated time must have approval from the Principal along with a written plan developed and agreed upon by students and parents.

Students will not be able to check out of school early for the 2018-19 school year. If a student does is not in school and does not produce a school-approved note (doctors note or note from court) he or she will not be permitted to take his or her final exam.

A student will be treated as truant if he or she leaves campus without following the proper procedure.

Behavior and Discipline

As students prepare themselves for the responsibilities and expectations that are part of the mature, adult life, appropriate ethical behavior needs to be developed. While the staff and administration recognize that all cultures have unique ethical principals, they also believe that certain basic beliefs transcend all societies. These include the idea that people are responsible for their actions and should be held accountable when their behavior is disruptive or causes harm to others. A safe school environment is only possible when all members of the school community accept the principle that basic rules must be established, enforced, and abided by in order for students to focus on their educational needs.

Discipline

Students are expected to be honest concerning all discipline issues. Failure to do so may result in **double** the consequences.

Administration/Faculty Responsibility

Teachers and staff have a responsibility to guide young people in their patterns of behavior. To this end, it is their responsibility to model appropriate behavior for students and hold students accountable for unacceptable behavior. The administration and faculty will enforce school policies as a means of teaching students correct behavior.

Student Responsibility

Students are responsible for learning and abiding by the rules of appropriate behavior and accepting consequences of their actions when they choose to violate school policies. Students are expected to conduct themselves with integrity and to be sensitive to the needs of others. **No student has the right to disrupt the learning environment of others.**

Parental Responsibility

Parents are responsible for helping their sons/daughters make good decisions regarding behavior. It is expected that parents understand the principle that a safe learning environment must be maintained for all students and **that no one student has the right to disrupt the learning environment of others.**

If a parent needs to contact their child the administration of Florence High School asks for the parent to respect Florence High School and every student's right to an education without distractions by calling the main office and ask for their child. The main office phone number of Florence High School is (719) 784-6414.

Cell Phones & Electronic Devices - Technology

It is the objective of Florence High School to teach students the appropriate use of cell phones and other electronic devices in a public setting. Cell phone usage (including texting) will be permitted in the commons before and after school and during lunch. Cell phone usage in the classroom is teacher dependent, **this does not include texting during class.** Different teachers will have different expectations in his/her classroom. Florence High School asks everyone to be respectful of its policies and individual teachers classroom policies. Students are to make sure they understand the policies before using any electronic device. **Parents are expected to understand the policies of Florence High School before allowing their kids to bring any electronic device to Florence High School.** Cell phones and other electronic devices inappropriately used during the school day may be confiscated by any staff member. **When a cell phone or other electronic device is confiscated the parent or guardian of the child will be required to come to Florence High School to retrieve the cell phone or electronic device. If a child gets his/her cell phone taken away on more than one occasion he/she may be required to turn his/her phone into the front office upon entering the building and retrieving it at the end of the day. In addition to turning in his/her phone the student may receive disciplinary action. Cell Phone use in Florence High School is NOT a right, it IS a privilege.**

If a student is found to use his or her cell phone to record a fight or any other illegal activity on any Re-2 School District campus his or her phone may be temporarily confiscated as evidence.

Students and parents must understand that cell phone, voice mail messages and texting records can be used against them if it involves any disruption to the educational environment. Texting or voice messages that can be construed as threatening, bullying or instigating a physical or verbal altercation will be considered a violation of school discipline policy. See discipline policy for specific consequences.

Please keep in mind any personal property a student brings on campus is the **responsibility of the student.** Florence High School **will not be responsible** for any personal property brought on campus.

If a student get his or her electronic device confiscated and brought to the office because of inappropriate use the following incidence steps are followed:

2. Second Offense – Teacher confiscates cell phone and turns it into the office. Student may retrieve the device at the end of the school day. Parent contact will be made.

High School student is responsible for the behavior of the guest. Admittance fee will be collected at the door of each dance by the club sponsoring the dance. Anyone leaving a dance will not be re-admitted.

Hallways

During class time, students are to be in class. Students will be dismissed when the bell rings at the end of the period with teacher permission. **Students must have a hall pass when in the halls during class periods.** Any student wandering in the halls or grounds without a pass will be considered truant.

Internet Users Code of Ethics

The internet offers vast, diverse, and unique resources to both students and teachers. Providing this service to teachers and students promotes educational excellence at our schools by facilitating resource sharing, innovation, and communication. Students and parents must have signed the Internet Access Agreement before using the Internet. Students must follow the rules and regulations of the agreement. Internet user agreements should be turned in to the main office secretary.

Student Safety

Students may take part in education as long as they act in a non-aggressive, non-violent fashion, which will guarantee the safety and welfare of all Florence High School students and staff. Students can only learn when they feel safe and secure. Those students who **commit or incite** violent or disruptive acts will be removed from the school environment (including buses and all school sponsored activities) in order to guarantee a safe and secure environment for others. Due to safety considerations, skateboards, rollerblades, roller skates, squirt guns, and snowballs are not allowed on campus at any time. If skateboards or skates are in use during the school day, they will be confiscated for a determined period of time.

Classroom Disciplinary Procedure

The classroom disciplinary procedure is a **three-step process which includes parental contact by the teacher**. Students who have reached Step 3 in the classroom or have committed a Zero-tolerance Behavior will be referred to the administration. Suspensions will be determined by the administration according to school policy. Violations will accumulate during the entire school year, not by class period, term or block. An explanation of the school disciplinary policy to students will occur during the first week of school. **Again, it must be emphasized that no student has the right to disrupt the learning environment of other students at FHS.**

Habitually Disruptive Status

Students who continually disrupt the learning environment or continuously violate school policy will be placed on HD Status. Once a student has been classified as Habitually Disruptive, a meeting will take place to develop a behavioral plan that will be signed by student and parent/ guardian. All parties will be informed of what the Habitually Disruptive Plan encompasses.

Any subsequent disruption of the school environment and violation of the behavioral plan will result in:

1. Parental notification of Strike 1 on Behavior Plan, and a 3 days out-of-school suspension.
2. Parental notification of Strike 2 on Behavior Plan, and a 5 days out-of-school suspension. At this point a final meeting will be held between the school, student and parents/guardians.

During the school year it may become necessary to change or add to the guidelines. When this takes place, students and parents will be notified. If situations occur which are not covered in the above information, the administration or the school board will make decisions based on the individual situation.

Dress Code

A safe and disciplined learning environment is essential to a quality educational program. District-wide standards on student attire are intended to help students concentrate on schoolwork, reduce discipline problems, and improve school order and safety.

The School Board recognizes that students have a right to express themselves through dress and personal appearance; however, students shall not wear apparel that is deemed disruptive or potentially disruptive to the classroom environment or to the maintenance of a safe and orderly school.

Parents are expected to support the Florence High School dress code.

Gang activity and/or attire are strictly prohibited.

DRESS CODE

Dress and hair should be neat, clean, and appropriate for school. It should not distract from the educational process or be a safety concern. Since every specific item of inappropriate dress and/or appearance cannot be listed, it is the responsibility of the school administrators to decide the appropriateness of an item in question.

- **Dresses, shorts and skirts must be finger tip length or longer.**
- **Shoulder straps on shirts must be at least three (3) inches wide and seamed at the sleeve. No loose fitting PE shirts**, halter tops, spaghetti straps, bare midriffs, see through, low cut neck lines, spandex, etc. are to worn at school. No undergarments are to be exposed.**

As example, shirts that depict music groups supporting these kinds of behaviors are not acceptable.

 2. Second Offense – Cell phone is confiscated for one week and parent has to come into Florence High School to retrieve the device.
 3. Third Offense – Cell phone is confiscated for the remainder of the semester and parent has to come into Florence High School to retrieve the device.
 4. Fourth Offense – Cell phone is confiscated for the remainder of the school year and parent has to come into Florence High School to retrieve the device.

- The rollers from “Heeley’s” must be removed on school grounds.
- Student appearance may be deemed inappropriate or distracting by school administration.

Students in violation will be required to change inappropriate clothing, remove hats, jewelry or piercings. Parents will be contacted to bring a change of clothing and students will wait in the main office until a change into appropriate clothing has been made. The final decision will be made by the building administration in all cases.

Any class time missed will be counted as an Unexcused Absence

On the second offense, the student will receive one-day after-school detention and a conference with parents/guardians will be held. (*Note: The School Board will determine whether any classes missed as a result of the second offense are considered excused or unexcused absences*).

On the third offense, the student will be subject to suspension or other disciplinary action as outlined in the school discipline code.

Exceptions to Dress Code**

Appropriate athletic clothing may be worn in physical education classes. Clothing normally worn when participating in school-sponsored extra curricular or sports activities (such as cheerleading uniforms and the like) may be worn to school when approved by the sponsor or coach.

ATTENDANCE

Florence High School has set high and attainable goals for all students. A major factor in students meeting that goal is attendance. School District Re-2 has set a goal of 95% daily attendance for all students.

Colorado School Law C.R.S. 22-33-104 (5) (a)

“The general assembly hereby declares that two of the most important factors in ensuring a child’s educational development are parental involvement and parental responsibility. The general assembly further declares that it is the obligation of every parent to ensure that every child under such parents care and supervision

receives adequate education and training. Therefore, every parent of a child who has attained the age of six years on or before August 1 of each year and is under the age of seventeen years shall ensure that such child attends the public school in which such child is enrolled in compliance with this section". (Effective July 1 2008)

Because attendance is paramount to success, Florence High School has the "10%" Rule. A student's grade will be affected if he or she violates the "10%" Rule.

- 0-8 Absences per semester (excluding Pre-Arranged, Medical, Court, Administration Excused, and Suspensions), Parents may excuse their child 8 times per semester = Grade not affected
- 9-11 Absences per period per semester (excluding Pre-Arranged, Medical, Court, Administration Excused, and Suspensions) = 11% deduction of final grade
- 12-14 Absences per period per semester (excluding Pre-Arranged, Medical, Court, Administration Excused, and Suspensions) = 21% deduction of final grade
- 15 or greater absences per period per semester (excluding Pre-Arranged, Medical, Court, Administration Excused, and Suspensions) = Failure of class

Seniors must maintain a **90% or better attendance rate and pass all classes to participate in the graduation ceremony**. Absences that will not count towards the attendance rule are: Pre-Arranged, Medical, Court, Administration Excused, and Suspensions.

Absences will be classified into three different categories: **Excused, Unexcused, and Truant**. Absences are counted in terms of class periods missed (ie: If a student missed their third period class but attended his/her other classes for the day that will equal one absence). Seven class periods missed will equal one full day absence.

Prearranged Absences

It is helpful to teachers, administrators and students if known absences longer than two (2) days are prearranged through the main office. The form must be signed by all teachers, parents, and an administrator to be considered excused. Make-up work can be coordinated between the teachers and student prior to the absence. Students who have exceeded 8 excused absences or are failing one or more classes will not receive a pre-arranged absence. **Prearranged absences will not be administered the final two weeks of each semester. If a student is gone during that time he or she will be required to produce a doctors note or note from the court to make up any work missed during that time.**

Excused Absences

According to Colorado State Law, the following criteria must be met in order for the absence to be excused:

- When a student is temporarily ill or injured and that absence is approved by the administration.
- Medical illness, with written verification from a medical professional. Extended periods of time due to physical, mental or emotional distress will require a meeting and plan for the student's educational future.
- Court or Law enforcement custody with court affidavit verification.
- Bereavement or other absences involving family emergencies that are approved by the administration.
- School sponsored activities that are approved by the school administration (Field trips, sports, band, choir, etc.).

To be excused, all absences should be cleared **within twenty-four (24) hours** of the student's return to school. This can be accomplished either by note or phone call to the attendance secretary.

Unexcused

Unexcused absences are those that do not meet the criteria above, and/or are not verified by the parents within the first twenty-four (24) hours. Unexcused absences also include -

- Failure to follow proper check in and check out procedures, including having (or not having) notes to meet with counselors, nurses or social workers.
- Students who miss class to work on assignments for another class without prior approval from both teachers.
- Oversleeping and car/transportation problems. A transportation related tardy may be excused by an administrator.
- Forged phone calls or notes are considered unexcused and disciplinary action will be taken.
- There are no school sanctioned skip days.

Truancy

Truancy means that the student was absent without the knowledge and/or permission of the teachers, administration, or the parents/guardians. Truancies will count towards the accumulation of unexcused absences mentioned below.

*Missing any part of a class (after coming to school) without prior parental or administrative permission.

*Leaving class or the campus without approval.

*Not attending or going on a school function and cutting classes during this time.

Truancy Policy Contract

If a student is under 17 years of age he or she may be referred to the Truancy board. If a minor student is already on a Truancy Contract he or she will be referred to Court.

If a student is over the age of 17 he or she may be placed on a School Truancy Contract. This may lead to dismissal from Florence High School.

District Truancy Officer

Absenteeism has a significant impact on student academic achievement. **If a student has incurred more than four (4) absences within a thirty-day period or more than ten (10) absences within a semester or block, the student will be referred to the county truancy officer.**

Unless pre-arranged with an administrator each absence after eight (8) will be **unexcused**. At this time the student will be referred to the truancy board or will be put on a Florence High School truancy policy contract.

- If a student has incurred such absences as above, but does not meet the age criteria for referral to the county truancy office, the student will be required to sign an attendance contract (according to the Truancy Policy). Failure to comply with the conditions of the attendance contract will result in withdrawal from school for the remainder of the block.
- Once a referral is made to the county truancy officer, the student's attendance will be monitored daily. Continued excessive absenteeism or unexcused absences can become grounds for legal action. Students and parents can be summoned to court to address attendance violations. The attendance policy was implemented in January 2002 is in compliance with Colorado State Attendance regulations 22-33-101, and school board policy file: JH.

Make-up Work

Make-up for excused absences can be completed for full credit. There will be one day allowed for make-up work for each day of absence. It is a student's responsibility to get the make-up work from each teacher for each class period missed. A student who is participating in a school-related activity can make up class work for full credit following the time frame for make-up work.

- Students with unexcused absences or truancies will receive a minimum of 50% credit for any assignment that they missed during their absence if completed within the given time frame.
- Missed work will be given to suspended students. Suspended students will receive a minimum of 50% credit for any and all work when made up in a time-for-time manner.

School-Wide Tardy Policy (suggested to teachers)

A tardy shall occur when a student is not in the classroom when the tardy bell rings. It is the school's belief that tardiness should incur a natural consequence in the classroom and it is the responsibility of the teacher and students to establish a procedure to handle tardiness. The following is a suggested teacher policy.

- Tardy #1-3: Teacher warning/ discipline + parent contact
- Tardy #4+: In School Suspension or Lunch Detention
- If a student is **more than five minutes** late he/ she will be marked absent.

Unexcused tardiness past the first five minutes of the class period will be considered truancy. **Students are not required to obtain a pass for tardies unless it is habitual and part of the natural consequence plan set up between student and teacher.**
