A Way to Support **FLORENCE HIGH SCHOOL** & become a better driver as you work towards getting your drivers license

FLORENCE HIGH SCHOOL is excited to announce a new partnership with DriveSafe Driving Schools. With your student's participation, we will raise money for our school!

We are now offering the DriveSafe State-certified online program for only \$55.

The online course is 100% online, no textbooks or software needed. It is self-paced and your student can view it on any device, anytime. The course has easy to follow lessons and is fully interactive with animations, games, and videos.

To enroll in the online program, <http://florencehs.bedrivingus.com/enroll>

State law requires that all 14 ½ to 15 ½ year-olds take a 30-hour driver's education course and pass a permit test to get their driver's permit. Enroll now through **FLORENCE HIGH SCHOOL** and help raise funds for our school.
