

School Counseling Mission Statement

The mission of Florence High School Counseling Department is to prepare students to be lifelong learners and responsible citizens in the community through a comprehensive program that will meet student's academic, personal/social and career needs. Further the counseling department will assist students in their progression through school by supporting their efforts in enhancing and realizing their personal and academic potential.

Primary Goal:

The primary goal of the counseling program is to promote and enhance student learning through three domains of student development:

- Academic planning
- Career planning
- Social/Emotional development

Services are delivered across the three above domains through:

- Individual planning (academic and career planning, goal setting, interventions etc.)
- Guidance Curriculum (classroom guidance lessons, career awareness, character education etc.)
- Responsive Services (individual and or group counseling, crisis management etc.)
- System Support (parent education, professional development, community relations, consultation, data analysis etc)

Florence High School Counselors Believe

- All students can succeed
- All students can achieve and be successful learners
- All students will have access to a comprehensive guidance curriculum
- All students will have access to school counseling services and support
- School counselors will promote self-advocacy
- School counselors will advocate for all students by promoting student achievement in a safe and compassionate environment
- All students will have the opportunity to access tools and develop skills to succeed and thrive
- School counselors will be available to all students to discuss academic, social/emotional and personal matters
