Dear Southern Colorado High School,

Heuser & Heuser is dedicated not only to protecting the legal interests of Colorado residents, but also to supporting the youth in our community. This generation will go on to change the world, but they need our support in order to achieve their immense potential. Rising college tuition and cost of living make it increasingly difficult to obtain higher education. Recognizing the needs of southern Colorado students, Heuser & Heuser is proud to announce the Heuser Law Scholarship, which will offer five (5) students a \$1,000 scholarship to be applied towards their tuition or other education-related expenses!

Through higher education or joining the military, people become smarter, more capable, and more disciplined. They build a stronger foundation for themselves, their communities and society at large – Heuser & Heuser is here to help with that endeavor.

Nelson Mandela once said, “Education is the most powerful weapon which you can use to change the world.” We want education to be more accessible so that a better future can be achieved. We hope this scholarship aids five students in their educational journey and encourages them to go out and do good in the world.

Every student who wishes to attend college, trade school, or joining the military should have that opportunity. If young people are still dreaming and chasing opportunities to change the world for good, then we want to help them achieve their goals. That’s why we are excited to award \$1,000 to five (5) southern Colorado high school seniors who will go on to do amazing things. See the next page for requirements, essay topic and important dates.

Sincerely,

Heuser & Heuser, L.L.P.
